

# Rohit Kumar

As a budding Software Developer, I am motivated to kickstart my career in the world of technology . With a solid foundation in programming language such as **C, HTML, CSS, JS, JAVA** .I have a keen interest in building efficient and user-friendly software solutions. I am a Faster Learner and thrive in collaborative team environments. I am excited to apply my coding skills and passion for problem- solving to contribute to innovative software projects and continuously grow as a developer.
